Dear Parents, Guardians and Carers

In order to ensure we prepare students for success in their exams in Year 11, the school has been faced with making some difficult decisions.

The external marking of the Maths and English papers from the recent exam period has been completed and we are in the process of analysing the results. We will be reporting these results, along with those from the other subjects, before the end of term.

In order for us to make sure that we give students every chance of success in the core subjects we have allocated additional curriculum time to them for Year 11. This means we have made the difficult decision to remove RE and reallocate these lessons. Any student who wishes to continue with their RE qualification will need to commit to twilight and Saturday sessions during Year 11 and needs to inform me, in writing, before the end of term.

I look forward to welcoming you on Tuesday at the Year 10 Parents' Evening. I am aware that some staff are unavailable, which is always disappointing. If you wish to have a short meeting with me on the evening to discuss English or Maths results, then I will be available on a drop in basis. I am also available next Wednesday evening at the Headteacher drop in between 4:00pm and 6:00pm.

Yours faithfully

Moira Green  
Headteacher
