3 March 2017

Dear Parents/ Guardians

I am writing to inform you of a change of date for the workshop run by Henley Youth Festival. Originally the workshop and evening performance was to be 17 March, however there are no tickets available for the evening performance at the Kenton Theatre on this date.

The workshop will now take place on **THURSDAY 16 MARCH**. The evening performance will also be at the Kenton Theatre on 16 March and there are still some tickets available for this date.

Should you still wish your child to take part in the workshop and evening performance on this revised date, please log into www.schoolgateway.com by Friday 10 March, to give consent. If you have any difficulty logging in, please contact Reception.

Other details remain the same:

The workshop will run on Thursday 16 March and will take place during the school day, so students will be out of lessons for the whole day. During the workshop, the students will be preparing for a performance at the Kenton Theatre that evening! Should your child wish to take part in this great opportunity, they would need to be able commit to this evening performance. The workshop will finish at 3:10pm and a coach will leave from Chiltern Edge at 5.00pm, to take the students to the theatre for an evening rehearsal, before the performance begins at 7.00pm. Tickets for this performance are available at <https://www.kentontheatre.co.uk/>.

Your child will need to be collected from the Kenton Theatre after the performance, which is due to finish at 9:30pm. For the workshop during the day and the performance in the evening, students will need to wear jeans, a bright coloured plain t-shirt and trainers. They should have with them a water bottle, and a snack for the evening, as they will be working hard!

Should you have any queries, please do not hesitate to contact me.

Yours faithfully

Tom Harte
Head of Performing Arts
