

### **GATE Support:**

Throughout their time at Chiltern Edge students who are nominated onto the Gifted, Aspiring, Talented and Enterprising register receive support on a number of different levels from the GATE coordinator and each other. These include:

#### **Key stage 3:**

- Year 9 mentoring during the options process
- Student voice carried out every two years and information gained used to support students in developing their learning
- Peer mentoring links between students as they mature
- Three mentoring quizzes a year in mixed year groups to work on learning problems together.

#### **Key stage 4:**

- Year 10 preliminary Portal mentoring
- Year 11 PORTAL mentoring
- Student voice carried out every two years and information gained used to support students in developing their learning
- GATE report which details A\*/A GCSE grade descriptors and allows students to understand how the tasks fit in with the syllabus
- Goals, Reality, Options, What Next (GROW) coaching to allow students to set goals and improve.
