Is your child starting school this September?

Shop early to avoid the rush

For a quieter shopping experience in store, we'd advise you to shop before mid-August. This will allow a customer advisor the time to guide you through the uniform and sportswear approved for your school and advise on recommended quantities. Your child will also be able to try on garments to make sure that you are happy with the fit of each item.

Buy earlier in the summer, with the confidence that our unique 120 day returns policy means you can exchange unused items if your child has a sudden growth spurt during the holiday period. If you think your child will need a special size, please allow more time before the Autumn term starts (8-10 weeks.), as these may need to be specially ordered.

As a one-stop uniform shop, on your visit you will also be able to buy everything from name tapes, stationery items and school bags, through to sports equipment and accessories.
